MATERIALS:

- 2 mm crochet hook.
- Tapestry Needle.
- Pins
- Scissors.
- 2 black 5mm safety eyes or black embroidery floss.
- Stuffing.
- Stitch markers.
- Cotton yarn.

I've used: Natura Just Cotton de DMC

Body and Outer Ear: n° 39 Ombre

Inner Ear and Nose: n° 82 Lobelia

Dress: n° 87 Glacier

Lace: n° 02 Ivory

RECOMMENDATIONS:

You can use any yarn that you like, however, make sure to use a slightly smaller hook (1mm less) than the one recommended on the label to avoid any holes.

The doll is 16 cm but the final size of your doll can vary, depending on the yarn and hook size used, which would mean that you would have to adapt the eyes to a different size.

Work in a continuous spiral unless otherwise stated.

Change yarn colour always in the last step of the last stitch.

You must stuff as you go crocheting.

JOINING THE EARS TOGETHER

1- Crochet the two parts together, one of each color, the rights sides facing outwards. The inner ear should be facing you.

2- Pass the loop of the last stitch from the outer ear to the inner ear.

3- Make ch1. This ch counts as the first stitch of the round.

4- Continue making sc around the ear, you need to use the stitches of both ear pieces to join together. Fasten off and leave a long yarn tail to sew.

5- Fold the ear and sew the two sides together.

6- Pin the ears in the correct place on the head and sew them on.
